**RE: Letter of Recommendation**

Dear Adriel:

It is my pleasure to provide you with this letter of recommendation for Tidal Basin Disaster Recovery Group and the team in your organization. Tidal Basin has been a big part of our hurricane response team for the past 6 years providing excellent, professional service for the staff and residents of the City of Aventura. During this time, we experienced two major storm events and we utilized your debris monitoring and FEMA documentation services which both were very exceptional. We could not have weathered those events without you.

If you need any other information or specifics, please do not hesitate to contact me at 305-466-8970 or by email at [krollj@cityofaventura.com](mailto:krollj@cityofaventura.com).

Sincerely,

Joseph S Kroll  
Public Works/Transportation Director
