To Whom It May Concern:

It is my pleasure to provide you with this letter of support and recommendation for Adriel Sanchez and Tidal Basin, the consulting firm that has helped our municipality with disaster recovery services. My name is Arturo L. Ruiz and I am the Director of Administration for the City of Hialeah Gardens. I have over 20 years of experience working in government and with consulting firms for disaster recovery.

During Hurricane Irma 2017, the City contracted the services of Tidal Basin in order to help us recover the necessary funds spent during the disaster cleanup process. During our time together, Mr. Sanchez was a consummate professional. He, along with the rest of Tidal Basin's staff displayed excellent communication skills. The firm afforded us trustworthy, reliable individuals who helped organize and submit the necessary paperwork for reimbursement from F.E.M.A.

Due to the efforts by Tidal Basin's staff, the City was able to receive our much needed reimbursement from F.E.M.A. The attention to detail displayed by Tidal Basin's staff was imperative during the process which involved tedious paperwork and inspections.

I am confident that your organization will benefit from the services provided by Tidal Basin and its hardworking staff. Their skills and experience will become an asset to your organization.

If you need further information, please do not hesitate to contact me at 305-558-4114, extension 237 or by email at aruiz@cityofhialeahgardens.com I would be happy to further elaborate on my time working with Mr. Sanchez and Tidal Basin.

Respectfully,

A handwritten signature in blue ink that reads 'Arturo L. Ruiz'.

Arturo L. Ruiz
Director of Administration
